

Project: Line

Specs:

Size: 8" x 10" mounted neatly on black groundsheet

Please include your name, class section and an arrow identifying orientation on a piece of drafting tape on the back of the mounting sheet.

Description:

Students will create four 8" x 10" cut-and-paste compositions using black construction paper on white groundsheets using only linear elements.

Composition I will utilize only horizontal and vertical lines.

Composition II will utilize only diagonal lines.

Composition III will utilize only curved lines.

Composition IV will utilize the combination of at least one of each line type.

Note: All elements must be linear and created using additive black construction paper. Line ends may be beveled, and curve line elements may be tapered or calligraphic, but the use of shapes (circles, triangles etc) including compound shapes (ie. lines with elements carved into them) is restricted and will be penalized.

Criteria for grade:

Solution to project as given	25%
Aesthetics & creativity	25%
Craftsmanship	25%
Presentation	25%

Project Due Date:

Project should be completed and mounted by the start of class for crit **Monday 2/22**.

Final projects should be posted to the blog in a gallery with these categories:
